Operate.  
Optimize.  
Outperform.

## How to use this checklist

This checklist is designed to help short-term rental owners and operators evaluate the key areas that drive stronger performance and five-star experiences.

### Answer honestly.

Choose the option that best reflects your current state for each item.

### Score your results.

Yes = 2 points | Partially = 1 point | No = 0 points

### Prioritize and act.

Focus on the areas with the lowest scores for the biggest impact.

### SCORING GUIDE

|           |                          |                                                             |
|-----------|--------------------------|-------------------------------------------------------------|
| 80-100%   | Strong foundation        | You're performing at a high level. Keep optimizing.         |
| 60-79%    | Meaningful opportunities | Address gaps to unlock more revenue and guest satisfaction. |
| 40-59%    | Performance risk         | Important improvements needed.                              |
| Below 40% | Immediate attention      | These gaps may be limiting your results.                    |

This is a diagnostic tool, not a financial guarantee. Results depend on many factors including market conditions and execution.
